FACTORY TOUR

MADE IN THE USA: Welcome to the Bushmaster® factory. Take a look at what goes into building your Bushmaster firearm. Our factory is filled with highly skilled craftsmen who start from scratch to build professional grade firearms that deliver accuracy and dependability in any situation. We take great pride in knowing that you put your trust in Bushmaster. Each rifle is built with your purpose in mind. It's what drives us to build the best.

WHAT GOES INTO A BUSHMASTER® IS WHAT MAKES A BUSHMASTER®

SINCE 1978, THE FINEST AR-STYLE PLATFORM RIFLES IN THE WORLD

- Bushmaster® is the leading supplier of AR-style rifles and accessories in the U.S.
- Preferred choice of state and local law enforcement
- Serving law-enforcement agencies and militaries of more than 50 foreign nations
- A leading choice for competitive and recreational shooters and hunters

TORTURE TESTED. BATTLE PROVEN.

- Bushmaster® firearms and accessories undergo a rigorous testing process to ensure the highest levels of ruggedness, longevity and precision
- Proven by more than 30 years of experience in law enforcement, foreign military service, competitive shooting and hunting worldwide

CONSISTENT. ACCURATE. QUALITY DRIVEN.

- Every Bushmaster® component is scrutinized and precision-tuned to deliver unmatched accuracy
- Unmatched quality control with the most stringent series of inspections in the industry

PRECISION-MACHINED

Bushmaster® barrels are precision-machined and air gauged for the utmost in accuracy and longevity.

CORROSION-PROOF

Hard-coated aluminum receivers are corrosion-proof, lightweight and abrasion resistant.

HIGHLY EFFICIENT

Our highly efficient gas operating system delivers impeccably smooth, rapid cycling while significantly reducing felt recoil.

RELENTLESS TESTING

With over 6 million rounds fired each year.

THE WORLD'S MOST ADAPTIVE MODULAR RIFLE.

AMBIDEXTROUS DESIGN

Ambidextrous magazine release, safety mechanism, and bolt catch and release.

RAIL

Free-floating MIL-STD-1913 monolithic rail.

Bushmaster[®] Basic ACR[®] Folder

(90838) BLACK
(90847) COYOTE

MAGAZINE

Optimized for MagPul PMAGs and accepts NATO/M16 magazines.

BASIC ACR[®] FEATURES

- 16 ½" cold hammer-forged barrel with an innovative protective coating which uses a nitriding process that dramatically reduces wear for the ultimate in longevity and dependability
- A2 birdcage-type hider to control muzzle flash
- Adjustable, two-position, gas piston-driven system for firing suppressed or unsuppressed, supported by hardened internal bearing rails
- Tool-less, quick-change barrel system available in 10.5", 14.5", 16.5" and 18.5" and in multiple calibers
- Multi-caliber bolt carrier assembly quickly and easily changes from 5.56 NATO/223 Rem to 6.8mm Rem SPC
- Free-floating MIL-STD 1913 monolithic top rail for optic mounting
- Magpul[®] MBUS front/rear flip sights
- Fully ambidextrous controls including magazine release, bolt catch and release, fire selector and non-reciprocating charging handle
- High-impact composite hand guard with heat shield – accepts rail inserts
- High-impact composite lower receiver with textured magazine well and modular grip storage
- Folding and six-position telescoping high-impact polymer stock with rubber butt pad and sling mount (basic folder only)
- Ships in hard case and includes 30-round PMAG[™]

PLEASE FIND THE COMPLETE LISTING OF ACR[®] PARTS AND ACCESSORIES ON PAGE 59.

ITS EVOLUTION TOOK A CENTURY. ADAPTATION, SECONDS.

FORWARD-MOUNTED CHARGING HANDLE

Can be switched within seconds from left to right side of the upper receiver and is non-reciprocating during firing.

BOLT ASSEMBLY

Multi-Cal bolt assembly quickly and easily changes from 5.56 NATO to 6.8mm.

LOWER RECEIVER

High-impact composite lower with textured magazine well and modular grip storage.

OPERATING SYSTEM

Adjustable, piston driven gas system for suppressed and unsuppressed firing.

FULLY MODULAR DESIGN

All major components are configurable to user preference. Barrel, stock, and handguard are all interchangeable in less than 2 minutes without tools.

BARREL INTERCHANGE

Tool-less quick change barrel system. Available in 10.5", 14.5", 16.5" and 18.5".

2X BARREL LIFE

Innovative protective coating which uses a nitriding process dramatically reduces wear for the ultimate in longevity and dependability.

ORC CARBINES [OPTICS READY CARBINE]

Any Optics, Any Purpose, Anywhere

ORC Carbine with Telestock (90391)

ORC Carbine State-Compliant (90652)

FEATURES

- 16" M4 profile barrel is chrome-lined in both bore and chamber
- Features A2 birdcage-type flash hider to control muzzle flash
- Receiver-length Picatinny optics rail featuring two 1 1/4" optics riser blocks
- Bushmaster® front flip-up sight can be mounted over the milled V-match gas block (*not included*)
- Features heavy oval M4-type handguards
- Six-position telestock reduces overall length by 4" when fully collapsed
- Ships with an operator safety manual, chamber flag, sling and 30-round magazine

XM-15 RIFLES

QUAD RAIL A3

Increase your Options with the Free-float Quad Rail

M4-A3 Type Patrolman's Carbine Quad Rail
(90831)

FEATURES

- 16" M4 contour 4150 chrome moly-vanadium barrel is chrome-lined in both bore and chamber
- Features A2 birdcage-type flash hider to control muzzle flash
- Free-float quad rail fore-end increases accuracy and enables accessory mounting
- Six-position telescopic stock for light weight and quick handling
- Ships with a lockable hard case, operator safety manual, chamber flag, sling and 30-round magazine

6.8MM SPC & 7.62x39MM

STATE-COMPLIANT ACR®

Bushmaster® State-Compliant ACR® (90720)

FEATURES

- Permanently pinned and welded Izzy muzzle brake
- Tool-less quick change-over barrel system available in multiple calibers
- Free-floating MIL-STD 1913 monolithic top rail for optic mounting (*sights not included*)
- Two-point push-button sling attachment

CARBON 15 SUPERLIGHT ORC

Carbon 15 Superlight ORC
State-Compliant (90806)

FEATURES

- Durable Carbon 15 composite receivers are an amazing 40% lighter than comparable aircraft aluminum receivers
- Upper receiver includes a Picatinny rail for easy optics mounting
- 16" Super Light contour barrel chambered for 5.56 NATO/223 Rem
- Permanently pinned and welded IZZY muzzle brake
- Fixed length 4 position style telestock pinned fully open
- Includes red dot optic
- Ships with an operator safety manual, chamber flag, sling and 10-round magazine

C15 P97 PISTOL

C15 P97 Pistol State-Compliant (90736)

FEATURES

- Receivers and other parts are molded of super durable, water resistant Carbon 15 Composite
- Stainless steel match grade barrel
- 7" barrel utilizes 1-9" twist
- A1 birdcage flash suppressor
- Bolt Carrier is Black Oxide finished for corrosion resistance
- Hogue Rubber pistol grip
- Low profile sights

BULLET BUTTON

BULLET BUTTON ORC ACR®

Bullet Button ORC ACR® (90893)

FEATURES

- ORC (Optics Ready Carbine) configuration *(does not include flip up sights shown)*
- 16" M4 contour barrel with A2 flash hider
- Bullet Button lower receiver
- Tool required for magazine removal
- 10-round magazine

- 11° competition muzzle crown and milled gas block
- Fluted, extra heavy, non-chrome-lined 20" barrel with 1 in 8" twist

Predator Upper Assembly (92450).....\$775.00

- Fluted, extra heavy, non-chrome-lined 24" barrel with 1 in 9" twist
- Varminter Upper Assembly (92820).....\$785.00*

MODULAR CARBINE UPPER ASSEMBLY

- Fluted, chrome-lined, chrome moly steel 16" barrel with 1 in 9" twist
- Milled gas block, flip-up sights, 4-rail fore-end with rail covers
- Bipod/sling stud, flat-top upper receiver with bolt carrier, charging handle and forward assist

*Bushmaster 5.56 NATO/.223 Rem –
Modular Carbine Upper Assembly (92336).....\$990.00*

.450 BUSHMASTER UPPER ASSEMBLY

- Add the hard-hitting punch of the 450 Bushmaster to your Bushmaster lower receiver instantly
- AR-type gas operating system drastically reduces recoil for excellent second shot control
- Aluminum forearm free-floats the barrel for optimum accuracy
- Heavy barrel is hard-chrome lined in bore and chamber for exceptional durability and features 1 in 24" twist rifling, optimized for the .450 bullet
- Includes 5-round .450 specific magazine

.450 Bushmaster – 20" Bbl Rifle Upper Assembly (91702).....\$795.00

UPPER RECEIVERS

16" HEAVY A2 CARBINE UPPER ASSEMBLY

- 16" barrel carbines offer compact size, balanced swing weight, and great accuracy called for in many tactical situations
- Standard issue for many law enforcement and military units

*Bushmaster 5.56 NATO/223 Rem –
16" Heavy A2 Carbine Upper Assembly (92546).....\$585.00*

Assemblies below are not pictured:

BUSHMASTER 16" DISSIPATOR CARBINE UPPER ASSEMBLY

- Gas block located behind the front sight base and under the full-length handguards to guard against heat buildup

*Bushmaster 5.56 NATO/223 Rem –
A3 Dissipator Carbine Upper Assembly (92316).....\$705.00*

BUSHMASTER "V MATCH" 16" UPPER ASSEMBLY

- 16" Heavy contour Barrel
- Chrome Lined Bore and Chamber
- Carbine length Aluminum free float fore end
- Milled Low profile gas block

*Bushmaster 5.56 NATO/223 Rem –
16" V Match Carbine Upper Assembly (92194)\$625.00*

LOWER RECEIVERS

SIX POSITION TELESTOCK

Six Position Telestock and Pistol Grip Lower Receivers

- Complete lower receiver with all Bushmaster components, ready to assemble onto your upper receiver

Lower w/Telestock (92950) \$370.00

Lower, marked for Multi-Caliber (92952) \$370.00

Lower w/Fixed Telestock (92954) \$370.00

SKELETON STOCK

Skeleton Stock Lower Receiver

- Skeleton stock features a rubber butt pad, neoprene foam sleeve over extension tube and multiple mounting points for the Q.D. sling swivel (included)

Lower w/Ace Skeleton Stock (92960) \$425.00

TRAPDOOR STOCK

Trapdoor Lower Receiver

- Solid A2 buttstock with trapdoor storage compartment

5.56 NATO/223 Rem (92956) \$345.00

Marked for Multi-caliber (92958) \$345.00

NOTE: FFL REQUIRED FOR PURCHASE OF ANY LOWER RECEIVER.

NOTE: ASSEMBLIES WITH TELESTOCKS MAY BE ILLEGAL IN SOME LOCATIONS. CHECK YOUR STATE AND COUNTY STATUTES TO DETERMINE LEGALITY.

BUSHMASTER.COM

UPPER RECEIVERS

Bushmaster® A1 Upper Receivers

- This version includes an elevation adjustment
- Forward assist assembly
- Aircraft quality aluminum forgings are used for superior strength, and they include integral cartridge case deflector
- Finish is a mil. spec., non-reflective hard anodized with a baked on dry film lube coating inside to ensure long wear and smooth carrier operation

Complete A1 Upper Receiver Assembly (F1003671).....\$160.00
Stripped A1 Upper Receiver Assembly (F1002986).....\$125.00

Carbon 15 Molded Upper Receivers

- Tough yet lightweight, these upper receivers are molded of carbon fiber composite originally developed for the aerospace industry
- Impervious to corrosion, they are solid color throughout – no surface finish to wear off
- Use these receivers to build the lightest AR-type rifle around

Carbon 15 Flat-Top Upper Receiver (F1009101)...\$155.00
Carbon 15 Flat-Top Upper Receiver w/Forward Assist & Dust Cover (F1006796).....\$190.00
Carbon 15 Pistol Upper Receiver (F1003804)....\$139.95

Complete A2 Upper Receiver

- Forged of aircraft aluminum, units are machined to meet or exceed mil. spec.
- Hard anodized to a dark gray non-reflective finish
- Includes an Integral brass deflector and a baked-on dry film lube coating inside for long wear and smooth carrier operation

Complete A2 Upper Receiver (F1003682).....\$195.00

V Match (Flat Top) Upper Receiver

- The A3 “flat-top” with its Picatinny rail allows virtually unlimited mounting of sights and optics
- Carefully machined from aircraft aluminum forgings and is complete as shown with ejection port cover and forward assist

V Match (Flat Top) Upper Receiver (F1005620) ..\$190.00

Bushmaster® A2 Stripped Upper Receiver

- Fully machined, hard anodize finished forging is dry-lubed and ready to assemble
- Ready to assemble with top Bushmaster quality parts
- Requires a rear sight, forward assist assembly and ejection port cover assembly for completion

A2 Stripped Upper Receiver (F1003247)\$125.00

Stripped V Match (Flat Top) Upper Receiver

- Fully machined and hard anodize finished aircraft quality aluminum forging ready for assembly
- Requires ejection port cover assembly and forward assist assembly for completion

Stripped V Match (Flat Top) Upper Receiver (F1002991).....\$155.00

LOWER RECEIVERS

FFL required for purchase of any lower receiver.

Assemblies with telestocks may still be illegal in some states. Check your state and country statutes to determine legality. Also available – lower assembly with ATF-approved fixed length tele-style stock.

Stripped Lower Receivers

- Build a Bushmaster rifle from the ground up with our stripped lower receiver housings
- Machined from highest quality aircraft aluminum forgings
- Requires a Bushmaster complete lower receiver parts kit and your choice of buttstock
- Bushmaster offers a complete rifle build-up video, or you may also reference the U.S. government M16A2 technical manual

Stripped Lower for 5.56mm (F1003299).....\$200.00
Stripped Lower for Multi-Caliber (F1003308).....\$200.00

Carbon 15 Stripped Lower Receivers

- Molded of carbon fiber, these units are lightweight and durable
- They are solid color throughout – no finish to wear through
- These are the same receivers we use on our Carbon 15 models
- Standard AR parts (like our lower receiver parts kit) are ready to drop right in

C15 M4 Type Receiver (F1004141)\$200.00
C15 R21/97/97S Receiver (F1003894).....\$200.00
C15 P21/97 Pistol Receiver (F1003893)\$200.00

LOWER RECEIVER PARTS & KITS

Complete AR15-Type Spare Parts Kit

- One "super-kit" that will take care of all your AR15-Type rifle's spare parts needs

Complete AR15-Type Spare Parts Kit w/Rifle Buffer Spring (F1001010) \$39.50
 Complete AR15-Type Spare Parts Kit w/Carbine Buffer Spring (F1001011) \$39.50

NOTE: IF YOU HAVE OUR FIXED LENGTH TELESTOCK, PLEASE CHOOSE THE RIFLE BUFFER SPRING PACKAGE.

Complete Lower Receiver Parts Kit*

- Everything necessary to completely build up your lower receiver
- Kits available with either AR15-Type or M16* components (lower receiver and auto sear are not included)

AR15-Type Lower Parts Kit (F1003693) \$69.50
 M16 Lower Parts Kit (F1005166) \$69.50

DCM Competition Complete Lower Receiver Parts Kit

- Parts shown above plus our adjustable two-stage competition trigger

AR15-Type Lower Parts Kit (F1003731) \$170.95

Field Repair Kit

- High breakage and loss items in a heavy zip-lock bag

AR-15 (F1003615) \$31.95
 M-16* (F1005117) \$31.95

XM15/AR15-Type/M16* Emergency Survival Kit

- Survival kit is packed in a belt mountable Olive Drab carrying case
- Specify with part numbers below: A1 Type (round front sight post) or A2 Type (square front sight post) and AR15-Type (AR) or M16 (M) parts

Survival Kit w/A1 Sight Tool
 AR-15(AR EMERG A1) M-16(F1000975) \$63.95
 Survival Kit w/A2 Sight Tool
 AR-15(AR EMERG A2) M-16(F1000976) \$63.95

Two-Stage Trigger

- As used in our Predator/Varmint rifles

(F1002086) \$129.95

M16*A2 Three Shot Burst Set

- Installation of this set in your M16A1 machine gun will give you a "three-shot-burst" capability as in the M16A2
- An FFL is required for sale, or a copy of your Form 4. Not legal for installation in anything but a licensed machine gun.

M16 A2 Three Shot Burst Set (F1000617)..... \$63.95

M16* Full Auto Sear

- Includes pivot pin, bushing and spring
- Note: An FFL or Tax Stamp is required for purchase

M16 Full Auto Sear (F1003064)..... \$31.95

AR15-Type or M16* "Re-hab" Kit

- Hammer, trigger, safety selector and disconnecter
- M16 kit must be used in a Title II receiver for legality – an FFL or Tax Stamp is required for sale

For Semi-Auto AR15-Type (F1003664)..... \$35.95

For Full-Auto M16 (F1005124)..... \$35.95

NOTE: M16 PARTS ARE NOT LEGAL FOR SALE IN CALIFORNIA.

AR15-Type or M16* Ambidextrous Safety Selector

- Installs easily into your lower receiver
- For the M16 part, an FFL or a copy of your Form 4 is required for sale

AR15-Type (F1008015)..... \$36.95

M16* (F1001483)..... \$36.95

AR15-Type/M16 Accu-Wedge

- Accu-Wedge eliminates play between upper and lower receivers for a more solid feel
- Easily installed, no modifications required

Accu-Wedge (F1000946)..... \$6.50

Ambidextrous Magazine Release

- Release magazines from either side of the receiver
- Uses stock button and spring

Ambidextrous Magazine Release (F1003101)..... \$95.95

AR15-Type Bolt Release Extension

- A finely machined aluminum lever to help high power competitors get back on target faster by keeping the forearm hand in place

(F1002050)..... \$47.95

Quick-Pull Takedown Pin for Carbon 15 Top Loading Carbine

- Makes opening the receivers of the top loading carbine easier and faster

Quick-Pull Takedown Pin (F1004243)..... \$3.95

Expandable Tensioning Pin For All AR15-Type Rifles

- Designed to cure a loose fit between older upper and lower receivers

Expandable Tensioning Pins (F1001012)..... \$36.95

Anti-Walk Pins for XM15, AR15-Type and M16

- Designed to prevent trigger or sear pin walkout under rapid fire conditions

Set of Two Pins with Circlips (F1002129)..... \$6.50

Offset Pin

- Adapts a Colt lower receiver (with large hole) to M16 forward assist type upper receiver with smaller hole

Offset Pin (F1001670)..... \$6.50

Individual Lower Receiver Parts for Late Model COLT AR15-Types

- These are the hard-to-find parts for the late model Colts requiring the larger .172" diameter hammer and trigger pins

Hammer (F1003074)..... \$23.50

Trigger (F1003052)..... \$21.50

Disconnecter (F1003095)..... \$7.50

Hammer or Trigger Pin (F1003068)..... \$3.50

All 5 parts in a kit (F1000974)..... \$53.95

LOWER RECEIVER PARTS & KITS

Note the differences* between the corresponding parts in each drawing.

UPPER RECEIVER PARTS

Bushmaster® Complete Bolt & Bolt Carrier Assembly

AR15-Type (F1002887).....\$137.95
M16* (F1002877).....\$137.95

AR15-Type or M16 Bolt Carrier Assembly with Key Staked on

- Chrome-lined for smooth bolt functioning and long life

AR15-Type (F1002908).....\$92.50
M16* (F1002904).....\$92.50

NOTE: M16 BOLT CARRIERS MUST BE USED IN TITLE II RECEIVERS FOR LEGALITY. AN FFL OR TAX STAMP IS REQUIRED FOR PURCHASE.

AR15-Type or M16 Bolt Carrier without Key

- Chrome-lined carrier, but without the carrier key

AR15-Type (F1002924).....\$78.95
M16* (F1002917).....\$78.95

CAUTION: BOLT CARRIER KEYS MUST BE "STAKED" ONTO THE CARRIER FOR SAFE AND PROPER FUNCTIONING IN YOUR RIFLE. FOR INFORMATION ON THIS PROCEDURE, OR ANY AR15-TYPE ASSEMBLY/DISASSEMBLY WORK, WE RECOMMEND THE BUSHMASTER VIDEO OR THE U.S. GOVERNMENT M16 TECHNICAL MANUAL (SEE GUNSMITHING SECTION).

Complete AR15-Type Bolt Assembly

- Includes bolt, extractor assembly, pins, gas rings, ejector assembly

Complete AR15-Type Bolt Assembly (F1002935) ... \$56.00

Bolt Cam Pin

- Machined of hardened steel to military specs. or better
- Manganese phosphated for protection against rust or corrosion

Bolt Cam Pin (F1002900).....\$4.50

Titanium Firing Pin

- Titanium is 40% lighter than steel for faster lock time and greater accuracy
- Patented, precision machined pin improves safety by reducing the possibility of a "slam fire"

AR15-Type (F1000484).....\$42.50

Chrome Steel Firing Pin

- A standard, mil. spec. firing pin for the AR15-Type or M16

AR15-Type (F1002903).....\$7.50
M16 (F1002901).....\$7.50

Bolt Carrier Rebuild Kit

- Includes all parts shown to rebuild your bolt and carrier

AR15-Type (F1003607).....\$37.95
M16* (F1005114).....\$37.95

NOTE: M16 PARTS ARE NOT LEGAL FOR SALE IN CALIFORNIA. WARNING: KEY MUST BE STAKED ONTO CARRIER.

Ejection Port Cover Assembly

- Manganese phosphate finished in matte gray/black color to match hard anodized uppers

Ejection Port Cover Assembly (F1003612)\$12.95

Forward Assist Assemblies – Teardrop or Round Style

- Machined from 4140 ordinance steel
- Manganese phosphate finished

Teardrop Style (F1003291).....\$21.50
Round Style (F1003290)\$21.50

Charging Handle Assembly

- Precision machined from 7075T6 aircraft-quality aluminum forgings, they are hard anodize finished per U.S. mil. spec. – with spring-loaded latch installed

Charging Handle Assembly (F1002974).....\$26.50
AR15-Type/M16 (Charging Handle with Tactical Latch) (F1002977).....\$42.95

AR15-Type/M16 Tactical Latch

- Sturdy steel construction – improves on the standard charging handle latch and allows easy weapon charging, or left- handed operation when using a scope or other optics

AR15-Type/M16 (Latch Only) (F1000366)\$21.95

Enidine Hydraulic Buffer – Rate Reducer

- Drop-in replacement for standard buffers, with units designed for either rifles or carbines
- Quality alloy steels with a black oxide finish; action rod is nickel plated for smooth operation
- Rear "bumper" is molded black polyurethane

For Carbines (F1001297)\$89.95

Individual Parts for Upper Receivers

Bolt Cam Pin (F1002900).....\$4.50
Bolt Carrier Key with Screws/Must Be Staked (F1000973).....\$15.95
Bolt Gas Rings (set of 3) (F1002964)\$3.15
Ejector Assembly (F1003613).....\$3.50
Extractor Assembly (F1003614).....\$14.95
Extractor (F1002965).....\$13.95
Extractor Pin (F1002971)\$1.00
Extractor Spring (F1003161)\$1.50
Extractor Spring Insert (F1003159).....\$.80
Firing Pin (F1002902).....\$7.50
Firing Pin Retaining Pin (F1002903).....\$1.00

BARRELS

Bushmaster® Barrels are the finest AR15-Type/M16-Type barrels made – machined from 4150 chrome moly-vanadium steel or stainless steel. Most Bushmaster barrels are hard chrome-lined to offer corrosion resistance in the bore and chamber. The chrome lining is much harder than barrel steel and effectively doubles barrel life with proper care (exactly why the military specifies the process). Chrome's lubricity (i.e., "slipperiness") reduces friction, increases velocity, aids in chambering and extraction, and speeds barrel cleaning. Bushmaster barrels are manganese phosphate finished (except the Stainless) to guard against exterior rust or corrosion, and to provide the same matte black, non-reflective finish found on quality military-type arms.

Rifling

Bushmaster AR15 barrels have 6 grooves and lands, right hand twist, 1 turn in 9" (except for DCM and Predator barrels – 1 in 8"). The 1 in 9" twist offers optimal results for the widest variety of commercially available 5.56 NATO/223 Rem ammunition.

Forged Front Sights

Our standard front sights are machined from steel forgings to offer superior tensile strength. We do not use castings, which may crack or break if you accidentally drop your rifle.

Headspacing

Barrel assemblies are headspaced at the factory and are shipped ready for assembly and use. BATF rulings permit permanent factory installation of muzzle brakes/suppressors on barrels if the overall length (barrel & brake, etc.) equals at least 16".

Purchase Two Ways

Bushmaster barrels can be purchased as "Complete Assemblies," which include all parts forward of the upper receiver: handguards; gas tube; delta ring kit; etc.

Bushmaster barrels can also be purchased as "Barrel Only," which includes the barrel, barrel nut, handguard cap and complete front sight assembly (with sight post and sling swivel) as a savings to those shooters who already have handguards.

NOTE: "BARREL ONLY" ASSEMBLIES OF 16" OR LONGER LENGTH WILL NOT INCLUDE FLASH SUPPRESSORS; ORDER THOSE SEPARATELY FROM OUR MUZZLE BRAKES/SUPPRESSORS/COMPENSATORS SECTION.

Pre-ban/Post-ban: A Caution for Our Customers

When the Assault Weapons Ban of 1994 expired on Sept. 13th, 2004, it became legal to again offer features on the AR15-Type rifle such as flash suppressors and bayonet lugs that had been deemed illegal for those previous 10 years. Though that federal legislation has expired, certain states have retained their own versions of assault weapons ban statutes. Buyers should check their own state and county laws to determine the local legality of rifles or parts such as barrels with these features and accessories.

BARREL ASSEMBLIES [5.56 NATO/223 REM]

Stainless Steel Replacement Barrels for Carbon 15 Rifles & Pistols

- Match Grade 416 Stainless Steel factory replacement barrels – 5.56 NATO/223 Rem – precision machined, polished and 1 X 9" twist rifled, these barrels require factory or authorized repair center installation, please call 1-800-883-6229.

Carbon 15 R21 and Bushmaster Lady Rifle Barrel (F1004021).....	\$159.95
Carbon 15 R97 Rifle Barrel (F1004023).....	\$209.95
R97S & R97F Barrel (F1004024).....	\$209.95
P21 Pistol Barrel (F1003993).....	\$139.95

P97S Pistol Barrel (F1003997).....	\$179.95

"Short Barrelled" Assemblies

- These chrome-lined barrel assemblies (either 11.5" or 14.5") with A2 birdcage suppressors may only be used on registered short barrelled rifles or full auto models for legality. Can be installed on pistols as well.

11.5" Barrel Assembly (F1003365).....	\$225.00
11.5" Barrel Only (F1003361).....	\$195.00
14.5" Heavy Barrel Assembly (F1003402).....	\$225.00
14.5" Heavy Barrel Only (F1003401).....	\$195.00

NOTE: WITH A PERMANENTLY INSTALLED IZZY COMPENSATOR, OR OTHER 2 3/16" SUPPRESSOR, THE 14.5" HEAVY BARREL ASSEMBLY BECOMES A LEGAL 16" BARREL. ASK YOUR BUSHMASTER SALESPERSON FOR DETAILS.

14.5" M4 Barrel Assembly with Izzy Compensator

- M4 profile chrome-lined barrel with pinned and welded Izzy compensator – is BATF legal for semi-auto rifles. Total length is just over 16".

With Bayonet Lug (F1003446).....	\$270.00
Without Bayonet Lug (F1005207).....	\$270.00

14.5" M4 Barrel Only with Izzy Compensator

With Bayonet Lug (F1003445).....	\$240.00
Without Bayonet Lug (F1006905).....	\$240.00

14.5" M4-Type Barrel Assembly

- Chrome-lined, 1 x 9" twist barrel with birdcage suppressor – machined for the addition of the M203 grenade launcher with the narrow "government" profile under the handguards for light weight like the original A1 rifle barrel

14.5" M4-Type Barrel Assembly (F1003451).....	\$235.00
---	----------

14.5" M4-Type Barrel Only

- Less handguards, gas tube, delta ring kit and birdcage flash suppressor

14.5" M4 Barrel Only (F1003444).....	\$205.00
--------------------------------------	----------

16" M4 "Patrolman's Carbine" Barrel Assembly

- 16" M4 profile chrome-lined barrel with A2 birdcage suppressor on threaded muzzle – one of our most popular configurations

With Bayonet Lug (F1003523).....	\$235.00
Without Bayonet Lug or Threaded Muzzle (F1005252).....	\$235.00

16" M4 "Patrolman's Carbine" Barrel Only

- Less handguards, gas tube, delta ring kit and suppressor

With Bayonet Lug (F1003513).....	\$205.00
Without Bayonet Lug or Threaded Muzzle (F1005251).....	\$205.00

16" Heavy Carbine Barrel Assembly

- Heavy profile 16" chrome-lined barrel with A2 birdcage suppressor on threaded muzzle – many other suppressors and brake will screw on

With Bayonet Lug (F1003495).....	\$225.00
Without Bayonet Lug or Threaded Muzzle (F1005225).....	\$225.00

16" Heavy Carbine Barrel Only

- Less handguards, gas tube, delta ring kit and suppressor

With Bayonet Lug (F1003484).....	\$195.00
Without Bayonet Lug or Threaded Muzzle (F1005221).....	\$195.00

16" SuperLight Barrel Assembly

- The lightest 16" chrome-lined barrel we offer – with A2 birdcage suppressor on threaded muzzle. Tapers from .670" to .565" under handguards, .625" under sight base, and to .570" at the muzzle (similar to the original Vietnam era A1 barrel profile).

With Bayonet Lug (F1003546).....	\$235.00
Without Bayonet Lug or Threaded Muzzle (F1005260).....	\$235.00

NOTE: DUE TO DIAMETER AT MUZZLE, NO "SLIP-ON/PINNED" TYPE MUZZLE BRAKES WILL FIT THIS BARREL. USE ONLY 1/2" X 28 T.P.I. THREADED ACCESSORIES.

16" SuperLight Barrel Only

- Less handguards, gas tube, delta ring kit and suppressor

With Bayonet Lug (F1003545).....	\$205.00
Without Bayonet Lug or Threaded Muzzle (F1005259).....	\$205.00

16" Dissipator Heavy Barrel Assembly

- A 16" chrome-lined barrel with carbine position gas block, and full length, heat-shielded handguards for excellent cooling and the full sight radius designed into the A2 sight system

With Bayonet Lug (F1003497).....	\$245.00
Without Bayonet Lug or Threaded Muzzle (F1005235).....	\$245.00

16" Dissipator M4 Barrel Only

- Less handguards, gas tube, delta ring kit and suppressor

With Bayonet Lug (F1003498).....	\$225.00
Without Bayonet Lug or Threaded Muzzle (F1005238).....	\$225.00

BARREL ASSEMBLIES [5.56 NATO/223 REM]

20" M16 A2-Type Barrel Assembly

- A government, profile chrome-lined barrel – light in weight and reduced in diameter under the handguards – ideal for restoring that older rifle or building a new lightweight

With Bayonet Lug & A2 Birdcage Suppressor (F1003566).....\$235.00

With Plain Muzzle and No Bayonet Lug (F1005285).....\$235.00

20" M16 A2-Type Barrel Only

With Bayonet Lug (F1003564).....\$205.00

Without Bayonet Lug or Threaded Muzzle (F1005284).....\$205.00

20" Target Heavy Barrel Assembly

- A 20" heavy profile barrel chrome-lined in both bore and chamber – with A2 birdcage flash suppressor and all parts forward of the upper receiver

With Bayonet Lug (F1003562).....\$225.00

With Plain Muzzle and No Bayonet Lug (F1005281).....\$225.00

20" Target Heavy Barrel Only

- Less handguards, gas tube, delta ring kit and suppressor

With Bayonet Lug (F1003557).....\$195.00

Without Bayonet Lug or Threaded Muzzle (F1005277).....\$195.00

20" Stainless Steel Heavy Barrel Assembly

- Per request of many high power competition shooters, the accurate 1 in 9" twist Bushmaster barrel is available in brush finished, non-chrome-lined, 416 Stainless Steel

With Bayonet Lug and Birdcage (F1003580).....\$275.00

Plain Muzzle and No Bayonet Lug (F1005303).....\$275.00

20" Stainless Steel Heavy Barrel Only

- Less handguards, gas tube, delta ring kit and suppressor

With Bayonet Lug (F1003579).....\$245.00

Without Bayonet Lug or Threaded Muzzle (F1005302).....\$245.00

20" Predator Barrel Assembly

- Similar to Varminter but 20" Fluted length and rifled 1 x 8" for the heavier bullets used on Predators – non-chrome-lined, with an 11° competition muzzle crown
- V Match sight base/gas block and vented fore-end with sling stud – assembly by gunsmith recommended

20" Predator Barrel Assembly (F1005297)\$381.95

20" Predator Barrel Only

- Same as above: barrel, bolt and V Match milled gas block – less vented free-float fore-end and gas tube. Shipped unassembled; gunsmithing recommended.

20" Predator Barrel Only (F1005296).....\$303.95

24" Target Heavy Barrel Assembly

- 24" heavy profile chrome-lined barrel

With Bayonet Lug (F1003585).....\$235.00

With Plain Muzzle and No Bayonet Lug (F1005317).....\$235.00

24" Target Heavy Barrel Only

- Less handguards, gas tube, delta ring kit and suppressor

With Bayonet Lug (F1003584).....\$205.00

Without Bayonet Lug or Threaded Muzzle (F1005316).....\$205.00

24" Varminter Barrel Assembly

- 24" fluted, non-chrome-lined barrel based on DCM competition design – button rifled 1 x 9".
- It is 1" in dia. out to the gas block with an 11° competition muzzle crown; V Match sight base/gas block and Varminter vented fore-end with bipod/sling stud, and includes a bolt
- We recommend assembly onto your upper receiver by an experienced AR15-Type gunsmith to achieve full accuracy – shipped unassembled (as shown)

24" Varminter Barrel Assembly (F1005324).....\$391.95

24" Varminter Barrel Only

- Same as above: barrel, bolt and V Match milled gas block – less Varminter vented fore-end and gas tube. Shipped unassembled; gunsmithing recommended.

24" Varminter Barrel Only (F1005323)\$313.95

24" Stainless Varminter Barrel Assembly

- A highly accurate 24" barrel as used in our stainless Varminter special rifle – brush-finished 416 stainless steel in 1 in 9" twist complete with vented aluminum free-floater fore-end, sling stud, gas block, gas tube, bolt and barrel extension
- Shipped unassembled; requires gunsmithing

24" Stainless Varminter Barrel Assembly (F1005218).....\$391.95

24" Stainless Varminter Barrel Only

- Includes 24" 1 X 9" twist stainless steel barrel with gas block, bolt and barrel extension

24" Stainless Varminter Barrel Only (F1005325).....\$313.95

BARREL PARTS

Gas Tubes

- Quality materials and machining, properly bent for a perfect fit and flawless functioning in your rifle

Rifle-length Gas Tube (F1003020).....	\$14.95
Carbine-length Gas Tube (F1000374).....	\$12.95
Gas Tube Roll Pin (F1001641)	\$.50

Handguard Caps

- Manganese phosphate finished steel handguard caps in two different types for standard or heavy profile barrels

NOTE: RIFLE-LENGTH HANDGUARDS TAKE THE TRIANGULAR CAP; STANDARD CARBINE HANDGUARDS TAKE THE ROUND CAP; M4 (OVAL PROFILE) CARBINE HANDGUARDS TAKE EITHER ROUND CAP (B OR C)

A. Round Cap (Standard Barrel) (F1002025).....	\$6.50
A. Round Cap (Heavy Barrel) (F1002026)	\$6.50
B. M4 Cap (Notched for M203) (F1002028).....	\$6.50

NOTE: DIAMETER OF STANDARD BARREL = .625"
DIAMETER OF HEAVY BARREL = .750"

Individual Delta Ring Parts

Delta Ring Kit (includes all parts, A-D) (F1003153).....	\$13.95
A. Aluminum Delta Ring (F1003146)	\$7.50
B. Handguard Weld Spring (F1003017)	\$5.25
C. Handguard Snap Ring (F1001649).....	\$2.75
D. Gas Tube Roll Pin (F1001641)	\$.50

Individual Barrel Parts

A. Front Sling Swivel (F1003023).....	\$3.50
B. Front Sling Swivel Rivet (F1003144).....	\$.80
C. Barrel Extension (F1003197)	\$15.95
D. Barrel Nut (F1003205).....	\$12.95

A2 "Crush" Washer

- Used at Bushmaster factory for positioning suppressor and muzzle brake installations – for one time use only

5.56/223 (F1000482).....	\$2.95
450 Crush Washer (F1000483)	\$2.95
6.8/7.62/308 Crush Washer (F1002071)	\$6.50

A2 Peel Washer

- A re-usable multi-layer washer for the correct timing of suppressor or brake installations on threaded muzzle barrels

5.56/223 (F1000783).....	\$3.15
--------------------------	--------

A1 Flash Hider Lock Washer

5.56/223 (F1003028)	\$.60
---------------------------	-------

COMPENSATORS SUPPRESSORS | MUZZLE BRAKES

AAC® BRAKES & SUPPRESSORS

Muzzle Brake

- The BLACKOUT® muzzle brake reduces recoil and helps stay on target. Highly-efficient muzzle brake design and compatible with AAC sound suppressors. Constructed with aerospace-grade heat-treated 17-4 stainless steel and SCARmor™ coated for high surface hardness and durability.

A. 308 Win/7.62 NATO (F1006817)\$150.00
B. 5.56 NATO/223 Rem (F1006818)\$150.00

Flash Suppressors

- The BLACKOUT® flash suppressor is the most efficient design available. The proprietary features eliminate muzzle flash, even on CQB-length barrels. The BLACKOUT® is inherently stronger and more impact resistant than four prong designs, while not being subject to the rapid erosion of closed-ended units. A high-strength, corrosion-resistant aerospace alloy and ultra-hard SCARmor™ finish provide the highest level of durability. Military tested and selected.

C. 308 Win/7.62 NATO (F1006813)\$99.00
D. 5.56 NATO/223 Rem (F1006546)\$99.00

- Eliminate flash, even on the shortest barrels, as tested by the U.S. military. Patent-pending three-prong design for extreme efficiency and with more strength than a four-prong. Symmetrical design for the most accuracy. Two machined flats allow simple installation with a standard size wrench. Constructed with aerospace-grade heat-treated 17-4 stainless steel and SCARmor™ coated for high surface hardness and durability. Fits 5.56 NATO (.223) caliber, 1/2 x 28 t.p.i. threaded barrels only.

E. 5.56 NATO/223 Rem (F1006547)\$59.00

"CAR 15" Flash Suppressors

- High quality, manufactured in the U.S.A. – the six-slot design makes these suppressors very effective on the short barrelled carbine

A. Shorty Look Slip-over Flash Suppressor
(Std Barrels .610@Muzzle) (F1001632)\$15.95

A. Shorty Look Slip-over Flash Suppressor
(Hvy Barrels .720@Muzzle) (F1000845)\$20.95

INTERNAL THREADS ALLOW A "SLIP-OVER" INSTALLATION ONTO THE BARREL, GIVING YOUR GUN A "SHORTY" LOOK WITHOUT SACRIFICING ACCURACY – 5" OVERALL LENGTH

B. CAR 15 Extended Flash Suppressor
(F1001635)\$15.95

5.5" OVERALL LENGTH – THREADED FOR ALL PRE-BAN BARRELS

C. CAR 15 "Original" Flash Suppressor
(F1000378)\$15.95

THIS IS THE ORIGINAL 4.5" M177 CARBINE DESIGN

Bushmaster® Izzy Muzzle Brake (5.56 NATO/223 Rem)

Production approved by the BATF – featuring four gas ports and a ribbed design to improve cooling. Machined of 4140 gun steel with a manganese phosphate finish – very effective in controlling muzzle rise. Slip-on/taper pinned version for barrels with plain crowned muzzles, and threaded model (shown left - threaded 1/2" x 28 t.p.i.) can be installed without regard to port location (timing) and will still be effective; however, most are installed with ports positioned 12–3–6–9 o'clock. The slip-on, pinned version requires factory installation or professional gunsmithing to drill and install the taper pin, and for extra safety, high strength Loctite® should be used in addition to the taper pin.

A. Threaded Izzy Brake (for 1/2" x 28 t.p.i. threaded barrels – requires lock washer) (F1005071)\$36.95

B. Slip-on Izzy Brake (for plain muzzles .700" diameter – requires gunsmithing) (F1005073)\$36.95

.308 Izzy Brake (for .308 Cal. threaded barrels (5/8" x 24) – requires crush washer) (not shown) (F1006301)\$36.95

A2 BirdCage Flash Suppressor

- Five-slot design (threaded 1/2" x 28 t.p.i.) without a bottom slot to avoid dust signature when shooting prone position
- Peel washer or crush washer is required for correct installation timing

A2 Birdcage Flash Suppressor (F1000781)\$6.50

NOTE: EVEN IF PINNED ON/WELDED OVER, THIS SUPPRESSOR IS NOT LONG ENOUGH TO MAKE A 14.5" BARREL LEGAL FOR USE ON A SEMI-AUTO RIFLE.

Bushmaster® Izzy Flash Suppressor/Compensator

- One of a series designed by a Bushmaster employee
- Features 3 gas ports, a machine turned ribbed design, and a closed bottom
- Functions as a flash suppressor, but also effectively controls muzzle rise in rapid fire
- Machined from quality 4140 gun steel – manganese phosphate finished

A. Bushmaster Izzy Flash
Suppressor/Compensator (F1005069)\$36.95

- For plain muzzle 5.56 NATO/223 Rem post-ban guns. Similar to above but slips over .700" dia. muzzles and is pinned on with a taper pin and high strength Loctite® for extra safety.

B. Bushmaster Izzy Flash
Suppressor/Compensator (F1005074)\$36.95

WARNING: REQUIRES FACTORY INSTALLATION OR PROFESSIONAL GUNSMITHING TO DRILL AND INSTALL THE TAPER PIN

MAGAZINES

BUSHMASTER® MAGAZINES

- Durability, value, and guaranteed fit and function in 5.56 NATO/223 Rem AR15-Type rifles
- Boxes stamped with progressive die for tightest tolerances
- Seam welding process optimized for weld ingot, strength and military-standard compliance

Bushmaster® .223 Magazines

M16 and others (F1001304)\$118.95
Harris Bipod Adapter for AR15-Type
Handguards (F1001303)\$14.95

Spec-Ops Mamba Combat Sling for Telestocked M4 & Other Carbines

- First sling designed for full contact engagement
- Left- or right-handed shooters
- Offers fast and easy transitions with a "tensioned triangle" design to eliminate interference with body-mounted load bearing equipment
- Its tubular web construction is super strong, and twist- and tangle-free
- Compatible with SOPMOD components, the Mamba's static-side "traverse" strap prevents sling from tangling in weapon's mounted sighting or lighting systems
- Does not use any metal snap clips, velcro or other noise-making hardware

(F1000350).....\$39.95

BUTTON SLING ENDPLATE IN POSITION
ON CARBINE FOR RIGHT-HANDED CARRY

Button Sling Carbine Endplate

- This phosphated finished steel endplate replaces the telestock locking collar on your carbine to provide a solid mounting point for the one-point sling
- Heavy duty tab slips onto the button for a secure mount

Right-handed shooter (F1001517).....\$19.95
Left-handed shooter (F1001519).....\$19.95

Button Sling Double Bungee "Throw & Go" Single Point Tactical Carbine Sling

- High quality black nylon tubing with internal bungee cords make this sling uniquely adaptable to tactical situations
- The sling attaches to the rifle with the "button" endplate (above), and offers length adjustment, comfort and instant readiness

(F1002079).....\$39.95

Government Issue Sling

- A 1-1/4" wide black nylon web sling; 54" long, with two black metal buckles

(F1000473).....\$5.50

Quick Detach Sling Swivels

- These 1 1/4" loop quick detach sling swivels are heavy steel with a phosphate finish and a screw locking knob to ensure that the sling won't work loose from the rifle.
- Fits any firearms with standard sling swivel studs installed

(F1001360) (pair).....\$12.95

SHOWN INSTALLED
AND SEPARATELY.

Bushmaster Modular Accessories System Tactical Sling Adapter

- A tactical sling adapter made for attaching various types of slings
- Allows mounting either web type slings or those that have "lobster claw" type clips
- Phosphate finished steel adapter plate replaces your telestock receiver end plate and allows ambi sling mounting on the primary, or offside, shoulder position for a comfortable "tactical" carry

(F1000372).....\$14.95

Single Point Tactical Harness

- M4 sling connector, features slide lock and quick connect/disconnect capability

(F1009042).....\$49.99

Blue Force Gear UDC Single Point Sling

- Made with the finest webbing and sewn with super heavy-duty #138 bonded nylon thread.
- Military grade genuine Fastex™ side release buckles on both the body loop and at the connection to the weapon.
- Completely adjustable, ambidextrous, sized for use over body armor.
- Short universal loop adapter for connection to the weapon mount and compatible with any other Blue Force Gear modular SOC-C™ system adapters.
- Available in black. Made in the U.S.A.

Black (F1054606).....\$42.95

MAGPUL® ACCESSORIES

MOE™ Polymer Rail Sections

MOE polymer rail sections allow the attachment of various 1913 Picatinny spec rail mounted accessories to be installed.

30 Round PMAG with Window Magazine

- Constant-curve internal geometry for smooth feeding
- Anti-tilt follower for increased reliability
- Storage/dust cover
- Stainless steel spring for corrosion resistance
- Textured gripping surface
- Ambidextrous MagLevel round indicator windows

Black (F1001545)..... \$17.95

MOE™ Illumination Kit

- Includes everything needed to mount a 1913 Picatinny rail compatible weapon light to a MOE handguard.
- Four-piece kit includes a short rail section, cantilever rail mount, two Surefire® optimized pressure switch pad mounts (both old and new styles), and all mounting hardware.

Black (F1008865)..... \$19.95

MVG™ MOE™ Vertical Grip

- Designed for use with MOE and ACR® handguards
- Basic, lightweight, cost-effective vertical fore grip
- Attaches directly to MOE and ACR handguards without any rail needed
- Shape is ergonomically designed for use as a traditional vertical grip
- Optimized for use with the "thumb break method" of shooting as taught by Magpul Dynamics™

Black (F1009845)..... \$19.95

MOE™ Grips

- Provides Magpul quality, feel and durability in an economical, drop-in upgrade for the standard AR15-Type/M16/M4 pistol grip
- Ergonomic, hand filling design combines aggressive texturing with storage core capability
- One-piece reinforced polymer construction has the durability to withstand operational environments
- Accepts optional storage cores for gear stowage, includes basic grip cap
- All mounting hardware included

Black, left (F1001569) \$20.95

Flat Dark Earth, center (F1001570)..... \$20.95

OD Green, right (F1009855) \$20.95

MagPul® ASAP (Ambidextrous Sling Attachment Point)

- ASAP (Ambidextrous Sling Attachment Point) allows a range of motion greater than 180 degrees, enabling true ambidextrous weapon manipulation for both left- and right-handed shooters
- Replaces the standard AR15-Type/M4 carbine stock receiver end plate, providing a tactical advantage by minimizing snagging and facilitating easy transition to and from weapon and reaction side shoulders

(F1009755) \$29.95

MagPul® RSA (Rail Sling Attachment)

- The RSA provides a forward sling attachment point for the Magpul MS2 or MS3 and other clip-in systems.
- Made from precision cast black manganese phosphatized steel, the RSA attaches to any standard 1913 Picatinny-spec rail. The RSA has been proven to withstand stress tests of over 300 lbs.

(F1009756) \$29.95

MOE™ Handguards (Carbine)

- Replaces standard M4 carbine-type handguards
- Easy to install utilizing existing front handguard retaining cap and delta ring
- MIL-STD 1913 Picatinny rail mounting slots at the 2–6–10 o'clock positions
- Reinforced, heat-resistant polymer construction
- Integral aluminum heat shield
- Front lip and side extensions, shields hand from hot gas block

MOE™ Handguards (rifle)

- Replaces standard M16-Type rifle-length handguards
- Easy to install utilizing existing triangular or round front handguard retaining cap and delta ring
- Slots at the 2–6–10 o'clock positions for mounting MIL-STD 1913 Picatinny rails
- Reinforced, heat-resistant polymer construction
- Integral riveted aluminum heat shield
- Front lip and side extensions, shields hand from hot gas block
- Relieved area at the top rear accommodates most overhanging optic mounts

Black (F1008030)	\$39.95
Flat Dark Earth (F1009844)	\$39.95
OD Green (F1009852)	\$39.95

Mission Adaptable (MIAD) AR15-Type/M16 Grip Basic Kit

- Grip kit has removable/replaceable front and rear panels for a custom fit over multiple hand sizes
- Features improved ergonomics and positive anti-slip texture on both sides and rear backstrap
- Removable inner core that allows for storage (3 round plug included); custom storage of batteries (waterproof) or bolt/firing pin is available with optional cores
- Kit includes 3 size backstraps (S, M, L); 4 frontstraps; 3 round core plug; and installation hardware

(F1001538)	\$35.95
------------------	---------

MagPul® mS3 Sling

Designed and built to allow for weapon connector hardware to be customized for shooter's weapon set-up. Design adjusted to adapt quickly between single and two-point configuration allowing for easy transition from "weapon shoulder" to "reaction shoulder."

- Compatible w/ASAP, RSA & Standard sling systems
- Polymer construction for reduced weight and silent operation
- Modular D-ring design
- Optimized for use with the ASAP & RSA
- Webbing adjustable for shooter size and preference
- Quick detach buckle for emergency situations
- High strength tubular nylon webbing

Flat Dark Earth (F1009753)	\$49.95

- Made in U.S.A. Instructions included

(F1001533).....\$19.95

ACR® ACCESSORIES

ACR® Fixed Stock

- Made of high-impact composite polymer with a rubber butt pad
- A-Frame design creates stabilized shooting support with a fixed length of pull of 12.5". An adjustable, locking cheek weld piece can raise ½" for better sight alignment with optics
- A sling can be attached to two of the integral webbing loops, to a quick detach coupler that can swap to either side or to the single sling loop, which is also swappable

Black, shown (F1000268).....\$99.95
Coyote Brown (F1000269).....\$99.95

ACR® Telescoping/Folding Stock

- Made of high-impact composite polymer with a rubber butt pad
- The seven-position telescoping stock has an adjustable length of pull from 11" to 14". The stock also unlocks and folds to the right side and is held open by a hinge detent, allowing for the rifle to become more compact but still able to be fired
- A sling can be attached to two of the integral webbing loops, to a quick detach coupler that can swap to either side, or to the single sling loop

Black (F1000263).....\$149.95
Coyote Brown, shown (F1000264).....\$149.95

ACR® Polymer Handguard

- Made of a high-impact composite polymer, reinforced with a heat shield. The handguard free-floats the barrel, features superior ergonomic shaping with a small forward lip to prevent the hand from slipping off the front and the vented slots at the 3–6–9 o'clock positions are sized to accept Magpul MOE™ rail sections
- A single captured pin anchors the handguard to the trunnion

Black, top (F1000234)\$59.95
Coyote Brown, bottom (F1000235)\$59.95

ACR® Tri-Rail Handguard

- Made of 6061-T1 aluminum with a hard-anodized finish for extreme durability
- Free-floats the barrel, has an integral quick detach plate on each side for sling attachment, features MIL-STD Picatinny 1913 rails at 3 and 9 o'clock positions (measuring 8 ½" with 20 slots) and the 6 o'clock position (measuring 6" with 15 slots) and in conjunction with the monolithic top rail provides a four-sided accessory mounting solution

Black, shown (F1000241)\$124.99
Coyote Brown (F1007088).....\$124.99

Blue Force Gear 2-point Sling

- A simple 2-point sling designed specifically for the Bushmaster ACR™
- Highly adjustable to fit a wide range of users
- Constructed of mil. spec. push-button swivels and low IR reflective webbing

Black, shown (F1000549).....\$49.95
Brown (F1000917).....\$49.95

Pistol Grip only, Black (F1000487)\$31.95

Ergo Grip Tactical Deluxe Pistol Grip Kit

- Ambidextrous grip that mounts universally to any AR15-Type/M16 rifle lower receiver
- Injection molded with an overmolded rubber Sure Grip™ textured finish, and offers a raised rear extension for improved hand web support and weapon control

Pistol Grip only, Black (F1000981)\$42.00

Complete A2 Trapdoor Buttstock Assembly

- The newer A2 design is 5/8" longer than original A1 for greater shooting comfort and improved trigger pull length of 13.5"
- Trapdoor storage space in the buttstock provides room for spare parts
- Includes buttstock w/trapdoor buttplate, sling loop, buffer, buffer tube, buffer spring, spacer and vented buttplate screw

(F1003674).....\$79.95

Six Position Fiberite Telescoping Stock Assembly

- Our standard telestock – a heavy duty design incorporating a six position latch assembly
- Ribbed body offers extra strength
- A six position receiver extension, machined from solid aluminum extrusion
- Lower lip face acts as a timing edge to insure the buffer retainer is held correctly and the extension is positioned correctly

Black (F1000360).....\$106.95

Complete Fixed Position Tele-Style Stock Assembly

- Includes carbine length receiver extension, buffer and spring

(F1000362).....\$106.95

Original Style Fiberite TeleStock Assembly

- Original style fiberite telestock body with a four position telescoping aluminum extrusion extension tube
- Original design metal telestock buffer with cylindrical weights and the carbine length buffer spring are included
- Has mil. spec. tube

Black (F1003692).....\$106.95

Skeleton Stock Kit for Changeover from a Telestock

- Includes skeleton stock with butt pad and hardware (as above), plus standard buffer tube, standard buffer and spring

(F1002040).....\$154.95

Cheekpiece for Six Position Telestock

- Designed to offer excellent cheekweld and appropriate head position for scope and optic use, it fits the newer Bushmaster six-position "ribbed body" telestocks
- Snaps securely onto the telestock body
- Includes a watertight small parts storage compartment in the upper portion of the cheekpiece, sealed with a rubber o-ring screw-in plug

(F1000697).....\$37.50

Rubber TeleStock Butt Pads

- These molded black rubber pads securely fit the buttplate of the telestock to offer recoil reducing comfort and positive, non-slip shouldering

ALSO FITS THE CARBON 15 RIFLES WITH THE ORIGINAL DESIGN BUTTSTOCK AND CAN BE MODIFIED TO FIT NEW REINFORCED CARBON 15 BUTTSTOCK

"Ribbed" Style Telestocks (F1000538).....\$20.50

Extended Buttplate for AR15/M16

- Glass-filled, black plastic composite buttplate
- Adds 1 1/4" length to the standard issue AR15/M16 buttstock
- Does block access to the buttplate trapdoor
- Also fits on the A1 Stubby Stock

(F1000501).....\$24.50

F1003329: INCLUDES STOCK, TRAPDOOR BUTTPLATE AND SLING LOOP

Individual A2 Solid Buttstock Parts

A. A2 Solid Buttstock (F1003329).....\$37.50
B. Trapdoor Buttplate Assembly A2 (F1003340) ...\$21.50
C. Buffer - Standard (F1003081).....\$15.95
D. Stock Spacer & Screw (F1003679)\$6.50

E. A2 Buttplate Screw (F1000843).....\$3.50
F. A1 Buttplate Screw (F1003086).....\$3.50
G. Receiver Extension - Standard A2 (F1003029)..\$21.95
H. Buffer Spring - Standard (F1003089)\$5.95

TELESTOCK BODIES ARE NOT AVAILABLE SEPARATELY.

Individual Telestock Parts

A. Buffer - Telestock (F1000394).....\$16.95
B. Buffer - Telestock (F1003156).....\$26.50
(Heavy weight for the M16M4 machine gun)

K. Telestock Latch (F1000357)\$7.50
L. Telestock Lock Pin Nut (F1000639).....\$4.50
M. Telestock Lock Pin Roll Pin (F1001641)\$.50

HANDGUARDS & ACCESSORIES

Bushmaster® Modular Accessory System Four-Rail Split Handguards

- The two piece design of these B.M.A.S. handguard sets allows quick and easy installation of a Picatinny four-rail accessory system on most AR-Type rifles
- Machined of quality aircraft aluminum, they snap right in place of standard carbine or rifle handguards, and offer four full length Picatinny rails for the flashlight/laser sight accessories of your choice
- Rails are positioned at 12–3–6–9 o'clock
- Top handguard can be used in conjunction with an M203 grenade launcher
- Vented to keep your barrel cool, finished in mil. spec. matte black anodize to eliminate glare and protect against corrosion

For Carbine (F1002471).....\$191.50

A2 Rifle Handguards

- Compression molded of black polymer composite material (not injection molded – these will not melt during full auto or rapid fire)
- Non-reflective matte black finish and are designed to fit rifles with the triangular handguard cap
- Internal aluminum heat shields are included to protect hands from barrel heat buildup

(F1000794) (pair).....\$21.95

A2 Carbine Length Handguards

- Injection molded of black polymer composite – internal aluminum heatshields included
- Can only be used with the round handguard cap

NOTE: RIFLE-LENGTH HANDGUARDS FIT INTO THE TRIANGULAR CAP. STANDARD CARBINE HANDGUARDS FIT INTO THE ROUND CAP. M4 (OVAL PROFILE) CARBINE HANDGUARDS FIT INTO EITHER THE ROUND CAP OR THE "NOTCHED" ROUND CAP. SEE HANDGUARD CAP PRICES AND PART NUMBERS.

(F1000380) (pair).....\$21.95

Sure-Grip Panels for Multi-Rail Fore-ends

- Black rubber grip panels for all rail fore-ends – with Bushmaster logo molded in
- Snap tightly onto the rails for a non-slip grip, rail protection and handling comfort
- 5 3/4" long for full length coverage on carbine fore-ends. Covers fifteen rail slots. Molded of black rubber with 3 Bushmaster logos between raised ribs.
- 1 3/4" black rubber grip panel (covers five rail slots) for Picatinny rail fore-ends – with Bushmaster logo.

A. Sure-Grip Full Length Rail Cover (F100199)....\$10.95

B. Sure-Grip 1/3rd Length Rail Cover (F100198).....\$3.95

A.R.M.S.® #51C Slimline S.I.R. System for A1/A2 Carbiners with Solid Carry Handle

- High quality technical fore-end for the AR15-Type carbine combines barrel free-floating, light weight and a multitude of accessory attachment rails
- Slimline Model 51C in the A.R.M.S. S.I.R. system is intended to fit the A1/A2 solid carry handle carbines
- Leaves barrel free-floating from the barrel nut forward, and is approximately 1/4" narrower than other S.I.R. system models
- The S.I.R. Model 51C clamps solidly onto the upper receiver's fixed carry handle (both the carry handle channel and the handle front support, utilizing two A.R.M.S. self locking thumbnuts) to provide an extremely rigid fit with no movement of rail or attachments
- Extended bi-level rail platform will mount various scopes, and red-dot or holographic sights, and offers the possibility of forward mounting optics to co-witness with the iron sights through the channel in the upper rail
- Total weight is 18.9 oz. including the two side and one bottom accessory rail segments and sling swivel

NOTE: THIS WILL NOT MOUNT ON THE A3 REMOVABLE CARRY HANDLE.

(F1001009).....\$429.95

Vented Free-Float Tube Fore-end

- Vented, free-floating, three piece fore-end can be easily installed for improved accuracy on your rifle
- A new barrel nut and locking ring replace your existing barrel nut (front sight, gas tube and barrel nut removal is required)
- Aluminum free-float tube screws on, and after "timing" the cooling vents a locking ring holds it in position
- The center of the tube is knurled for a non-slip grip, and a standard stud is included for bipod or sling
- High quality aircraft aluminum – black anodize finished

(F1002105).....\$95.95

Rail Mount Switch Kit for Streamlight/SureFire Flashlight Pressure Switches

- 3 piece kit to mount Streamlight or SureFire switches onto any Picatinny rail without adhesives or Velcro
- Base snaps on the rail and the insert encapsulates the switch pad – molded black santoprene thermoplastic

(F1001991).....\$12.95

M4 Dual Heatshield Handguards

- Dual heatshields effectively increase barrel cooling, especially in rapid fire
- Originally designed for use on full-auto machine guns, this improved handguard set will fit most carbines with either type of round handguard cap
- Molded of black thermoplastic composite material with heavy dual aluminum shields (one finished black/one silver)

(F1000391).....\$45.50 (pair)

ALSO AVAILABLE:

M4 Single Heatshield Handguards

(F1000389).....\$42.50 (pair)

Bushmaster® V Match “Free-Floater” Tubular Aluminum Fore-ends

- Hard anodize finished aluminum assemblies fit over standard and match profile barrels “free-floating” them from receiver forward for optimum accuracy
- Screwed directly onto the upper receiver in place of existing handguards, barrel nut and handguard cap
- Installation requires removal of the front sight base

For Rifles (F1002024).....\$63.95

For Carbines (F1007375).....\$63.95

Daniel Defense Omega Rail

- Free-floating barrel design
- Lightweight
- User installed with no special tools
- ZERO modification to host weapon
- Uninterrupted upper rail platform
- Integral QD sling swivel mounts with limited rotation feature
- Aircraft grade aluminum
- Military specification Type III hard coat anodized finish
- Military specification fasteners
- Military specification 1913 Picatinny rails

(F1001179).....\$289.00

GUNSMITHING TOOLS & SUPPLIES

Barrel Vise Jaw Blocks

- Dual slot design for the installation of barrels, front sight removal rear sight work, cleaning, or any job that requires immobilization
- Not limited to AR15/M16 service work

(F1000952).....\$15.95

Receiver Push Pin Tool

- Designed to push out tough takedown and pivot pins in your lower receiver. Machined from black nylon material so it won't mar the gun's finish.
- Fits into the buttstock storage compartment

(F1001333).....\$7.50

The Bushmaster® DVD

- Complete assembly and buildup details for the XM15/AR15/M16 rifle

(ADS-002).....\$25.95

AR15 Multi-Tool

- Adjusts front sights
- Cleans bolt faces
- Includes non-mar disassembly punches for take down and lower receiver pins
- Emergency Phillips screwdriver or scraper
- Lanyard loop to tie it to your web gear or tool bag

(F1001127).....\$12.95

Bushmaster® Cleaning Kit COMBO

- The 7-piece government issue cleaning kit packed in a nylon cleaning case kit

Cleaning Kit in Black Case (F1001161).....\$16.95

Bushmaster® Operating & Safety Manual

- Field stripping, cleaning, maintenance on all Bushmaster XM15 and Carbon 15 models – with parts diagrams, safety tips and sight zeroing

(F1001057).....\$2.95

AR15/M16 Handguard Tool

- Provides the leverage needed to compress the weld spring inside the delta ring
- Manufactured from strong, powder coated, 1/4" round steel stock with protective vinyl coatings

(F1001325).....\$21.95

Armorer's Barrel Wrench

- For AR15/M16 barrel removal and installation
- Note: Will not fit our DCM profile barrels

(F1001969).....\$11.95

ORDERING | GENERAL INFORMATION

FOR FASTEST ORDER PROCESSING

Visit our website and order direct from our online catalog at www.bushmaster.com

Our entire catalog and more is on the Internet – offering easy and secure ordering without waiting time on the phone! Many of our orders received via Internet are processed and shipped the same day (with the exception of back ordered items). Any orders that include e-mail addresses automatically get a return mail confirmation of shipment including the type of shipping service, a FedEx tracking number (if applicable), and notification of multiple packages. Customer service and technical support inquiries can also be handled quickly and efficiently by e-mail.

CATALOG PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE!

Current pricing can be seen on our website – www.bushmaster.com. All catalog prices are in U.S. dollars – please pay in U.S. currency. Please have your credit card available. We accept purchase orders from federal, state and local governments and institutions.

FOR TELEPHONE ORDERS, Call: 800.883.6229

Sales Consultants are Available: Mon – Fri: 9:00am – 5:00pm (Eastern Standard or Daylight Savings Time – all other hours of the day by answering machine)

FOR ORDERS BY FAX: 207.892.8068

Customer Service: 800.883.6229 (Phone Hours: Mon – Fri, 9:00am – 5:00pm)

CUSTOMER SERVICE

NOTE: With the "Sunsetting" of the Gun Legislation of 1994, many features of "Pre-bar" rifles are again available – BUT not in all areas! California, Connecticut, Hawaii, Massachusetts, Maryland, New Jersey, New York, Puerto Rico, and possibly others, all have their own statutes regarding what they call "assault weapons." To avoid the possibility of legal problems, check your local laws before purchasing some items offered in this catalog.

Our telephone personnel are highly experienced and well informed firearms enthusiasts. If you have any questions about Bushmaster products, you'll find a courteous member of our firm willing and able to answer them – just call our toll-free customer service line (800.883.6229) between 9:00am – 5:00pm, Mon – Fri, (EST). We will also be happy to promptly answer your questions or order inquiries via e-mail to: CustomerService@bushmaster.com

EXCHANGES

Should items you order from Bushmaster not be to your expectations, please contact our customer service department for a Return Merchandise Authorization (RMA) number. Unused items may be returned within 30 days, include a copy of your invoice. Note: Any custom barrel assembly – not shown in catalog – may not be returned. No refunds allowed after 15 days of invoice date. Restocking charge 20%. Include invoice with your return – its upper left corner can be used as return label. Return all pieces of kits – wrap and package them securely. Insure package for your protection. Include the reason for return of each item in an accompanying letter, and we will do everything possible to speed your exchange.

BACK ORDERS

We make every attempt to deliver your order from available stock – immediately. Should there be a back order on a part, we'll ship the bulk of your order and WE pay the shipping on the back-ordered part (with the exception of complete rifles). FedEx Standard Overnight (1 day), FedEx 2 Day and FedEx Express Saver (3 day) services are available upon request at additional charge.

BUSHMASTER LIMITED ONE YEAR WARRANTY

Bushmaster firearms are warranted to be free from defects in materials and workmanship. Any such defect of which Bushmaster Firearms International is given written notice, as provided below, within one year and ten days from the date of first purchase by a customer will be remedied by Bushmaster Firearms International.

To initiate a warranty claim, call Bushmaster customer service (toll free: 800.883.6229) to get an RMA number ("Return Merchandise Authorization"). Warranty claims should state (in writing) the model and serial number of the firearm concerned, a description of the difficulty experienced, and the date of purchase. The firearm concerned should be shipped, to the Warranty Service Department, Bushmaster Firearms International, 14 Hoefler Avenue, Ilion, NY, 13357. Firearm shipment should be insured by the owner, as Bushmaster Firearms International will accept no responsibility for loss or damage in transit.

Under no circumstances shall Bushmaster Firearms International be responsible for incidental or consequential damages with respect to economic loss or injury to property, whether as a result of express or implied warranty, negligence or otherwise. Some states do not allow the exclusion of limitation of incidental or consequential damages, so the above limitation may not apply to you. Bushmaster Firearms International will not be responsible for the results of careless handling, unauthorized adjustments, defective, low quality, reloaded, or improper ammunition, corrosion, neglect, ordinary wear and tear or unreasonable use. Furthermore, the liability of Bushmaster Firearms International under this warranty shall be limited solely to the obligation to repair or replace the firearm.

NOTE: Handguns and long guns are classified as FIREARMS or DANGEROUS WEAPONS. Guns are surrendered by Bushmaster Firearms International with the express understanding that it assumes no responsibility for resale handling under local laws and regulations.

A NOTE REGARDING LEAD. Discharging firearms in poorly ventilated areas, cleaning firearms or handling ammunition may result in exposure to lead, a substance known to cause birth defects, reproductive harm and other serious physical injury. Have adequate ventilation at all times. Wash hands thoroughly after exposure to lead.

SHIPPING INFORMATION

All orders must be accompanied with cash, credit card information, money order or cashier's check. We request telephone numbers and/or e-mail address when you order to provide the best possible service in case of questions. In an effort to preserve your privacy, we do not sell our mailing lists. An F.F.L. (Federal Firearms License) is required for the purchase of complete rifles, serial numbered lower receivers, or M16 components. Other parts and accessories do not require special licenses. Personal checks are held 15 days to clear. No refunds after 30 days of invoice date. Returned parts will incur a 20% restocking charge.

DAMAGE. If your package arrives damaged, you must alert the carrier, or call to notify them of damage problems and to initiate a claim.

INTERNATIONAL ORDERS. Bushmaster will now accept international orders of any amount, subject to U.S. State Department (ITAR) and Dept. of Commerce regulations. Bushmaster does have established dealers in countries outside the U.S. who may be able to supply your needs – contact Bushmaster for further information.

PARTS ONLY shipping costs within continental U.S.

Bushmaster® ACM – Multi-tool

- Includes 10 AR-15 Specific tool bits
- Carbon Scraper
- Dental Pick
- $\frac{3}{16}$ " Pin punch
- Flat blade screwdriver
- A2 Front sight adjustment tool
- $\frac{8}{32}$ " threaded end for use with flexible cleaning rods (sold separately)

(F1009065).....\$59.99

Bushmaster® Standard Armorer's Tool Kit

- Kit includes: dual slot barrel vise jaw blocks; drift punches; barrel wrench; receiver push pin tool; technical service manual; sight tool; cleaning kit; spring package w/standard buffer spring; and assorted pins and caps

(F1003672).....\$85.95

Deluxe Armorer's Tool Kit

- A complete tool kit for all necessary repairs and installations
- Kit includes: dual slot barrel vise jaw blocks; drift punches; Armorer's barrel wrench; 20-page technical manual; sight tool; cleaning kit; telestock wrench; go-, no-go- and field headspace gauges; firing pin protrusion gauge; receiver push pin tool; spring package with standard buffer spring; and assorted pins and caps

(F1002673).....\$180.95

Master Armorer's Tool Kit

- Kit includes: Armorer's Action Block kit; lower receiver vise block; heavy duty combination Armorer's wrench; barrel vise jaw blocks; drift punch set; rifle cleaning kit; .223 go/no-go/field headspace gauges; firing pin protrusion gauge; A1 and A2 sight tools; receiver push pin tool; 200-page M16 A2 Marine Corp. technical manual; M16 A1 technical manual; Armorer's DVD; Tetra gun care kit; 2 complete spring packages (with carbine & rifle buffer springs); and an assortment of pins, detents and caps for fast and foolproof assemblies and installations

(F1003661).....\$319.95

Heavy Duty Combination AR15 Armorer's Wrench

- Two-sided wrench at one end fits either multi-point or peg style barrel nuts on barrels up to 1" in diameter, and a breaker bar or torque wrench can be fitted into the $\frac{1}{2}$ " square drive opening
- Other end fits telestock locking nuts, and a large flat screwdriver blade is also included for use on standard buttstock screws
- Two other slots fit A1 and A2 birdcage flash hiders and receiver extensions

(F1000497).....\$22.50

AR15 Combination Armorer's Wrench for Newer TeleStocks

- A newer design Armorer's wrench that fits the latest model telestocks with the cuts on the locking ring
- Weight: 1.125 lbs / Length: 12.25" overall

(F1000498).....\$23.50

TeleStock Wrench for New Style (ribbed) TeleStocks

- An economical tool for the locking nuts on newer-type telestocks (fixed and collapsible)

(F1000518).....\$6.50

Sight Adjustment Tools

- Adjustment tools for A1 and A2 front sights, and A1 rear sight
- Machined steel with black oxide finish – designed to fit in the stow grip or buttstock compartment

(F1001945).....\$8.50

Lower Receiver Vise Block

- Clamp it in a vise and its magazine shape locks into the magazine well of any AR15/XM15/M16 lower receiver for assembly or maintenance work
- Machined from high density polyethylene. Use to mount lower receiver in either upright or inverted position
- Will not distort receiver or harm its finish. Also available, a larger version for the Bushmaster 308

(F1001678).....\$31.95

For Bushmaster 308 (F1001679).....\$37.95

Bushmaster® Armorer's Action Clamp for All AR15/M16-Type Rifles

- Works with all AR-Type rifles – even early A1's and A3 "flat-top" uppers with carry handle in place
- Used in conjunction with an Armorer's barrel wrench, this clamp eliminates barrel vise jaw blocks for removing or replacing barrel assemblies, and is necessary when installing tubular aluminum V Match handguards or competition free-floating tubes

(F1001677).....\$41.50

COMPETITION RIFLE PARTS

COMPETITION RIFLE PARTS CAN BE FITTED TO STANDARD MODELS AS WELL.

Bushmaster® DCM ¼ Minute Windage Competition Rear Sight Conversion Kit

- Convert your old A2 sight to ¼ minute of windage adjustment (MOA) configuration with these high-quality competition parts
- Kit includes ¼ MOA. drum, pin, detent springs and balls

(F1000968)\$21.50

Complete DCM Competition Lower Assembly*

- Lower receiver with A2 buttstock, competition buttstock weight, pistol grip and two-stage trigger (as shown)

(F1003636)\$430.00

DCM Lower Assembly*

- Same assembly as above less buttstock weight

(F1003634)\$410.00

A2 Buttstock Balance Weight

- Fits snugly in the standard A2 buttstock compartment without rattle – a 3.62 lb. chunk of lead that can be trimmed to help achieve a perfectly balanced rifle
- Its wedge shape and rubber pressure pad ensure a tight, rattle-free fit

(F1003337)\$21.50

Competition Handguard Balance Weight

- This lead balancing weight fits inside the bottom half of the standard A2 handguard to add fore-end weight to your competition rifle (a companion to the buttstock weight below)
- Weighs approx. 3.5 lbs. and can be cut down to achieve perfect balance

(F1001294)\$31.95

Two Stage Competition Trigger

- Includes all the specially modified parts shown plus
- Can be set for a 3 ½ lb. DCM legal 1st Stage and a 1 lb. (2nd Stage) letoff. *NOTE: This trigger will not fit in Colt lowers with a "block" over the safety, and is not designed to work with large Colt pivot pins*

(F1003056)\$127.95

ALSO AVAILABLE:

Two-stage Competition Trigger with Bushmaster Ambidextrous Safety (F1003057)\$148.95

Moly-Slide™ Lubricating Paste

- A 60% molybdenum disulfide (MoS2) lubricating paste for wear resistance, anti-seizing and anti-galling on cams, bushings and other sliding surfaces
- Has a very wide working temperature range with minimal evaporative loss
- The 1 oz. jar will usually last the average shooter/gunsmith for years

(F1001639)\$8.50

DCM Competition A2 Upper Receiver Upper Assembly with "Stay Straight" A2 Competition Rear Sight

- Includes forward assist, ejection port cover and one competition sight micro-aperture

DCM Upper Receiver Assembly with ½ Minute Rear Sight (F1000875)\$223.95

DCM Upper Receiver Assembly with ¼ Minute Rear Sight (F1000877)\$223.95

Bushmaster® Competition "Stay Straight" A2 Rear Sight Assembly

- Highly accurate rear sight assemblies with the new "Stay-Straight" dual detent mechanism (keeps the sight from moving or canting) for the serious competition shooter
- Elevation and windage mechanisms are available in either ½ or ¼ minute of adjustment
- The flip-up is machined to allow installation of different interchangeable micro-apertures (one aperture included with each complete sight or flip-up assembly)
- These precision machined inserts are available in 4 aperture sizes: .036"; .040" Standard (9 out of 10 shooters find the .040" standard aperture works best, your eyes may differ); .046"; or .052"

½ MOA Rear Sight (F1003270)\$122.50

¼ MOA Rear Sight (F1003272)\$122.50

Bushmaster® DCM Competition Heavy Barrel with Factory Matched Bolt and Front Sight Base

- A lapped 20" barrel – button rifled in 1 x 8 right hand twist – features an 11° crowned muzzle designed for competition and a custom match hybrid chambering with longer throat, or "leade," to accommodate 5.56mm ammunition
- Chrome moly-vanadium steel (non chrome-lined) with a manganese phosphate finish
- Diameter from the barrel extension forward to the sight base step is a full 1"

(F1003183)\$313.95

With std. muzzle threading for flash suppressors

(F1003186).....\$313.95

NOTE: ASSEMBLY BY A GUNSMITH RECOMMENDED FOR OPTIMUM ACCURACY.

Bushmaster® DCM "Free-Floater" Kit – A Barrel Nut/Free-Floater Tube/Handguard Combination

- This fore-end system meets all regulations for DCM competition and free floats the barrel from barrel nut forward for optimum accuracy
- A sling swivel loop is mounted onto the front of the tube – handguards, delta ring, weld spring, snap ring and a special gas tube are included

(F1003231)\$159.95

DCM Free-Floater Tube/Custom Gas Tube Set

- Add your own rifle length handguards to this competition free-float tube – includes a custom bent gas tube
- Minor modifications to handguards are required for fitting
- Upper receiver disassembly and front sight removal are necessary for assembly onto rifle
- As installed on DCM rifle

(F1000535).....\$132.95

Bushmaster® Competition Sight Service Tool

- A combination front sight adjustment tool and rear shroud insert "screwdriver" machined of steel with black finish and knurled for a non-slip grip
- Length: 2"

(F1001141)\$10.95

"The Hood Kit"

- Includes our competition flip-up, the hood sight shroud and your choice of one competition aperture; numbers below indicate the size of the aperture opening

CHOOSE FROM:

.036" (F1001149); .040" (F1001151);

.046" (F1001153); .052" (F1001155)\$40.50 ea.

"The Hood"

- A competition rear sight shroud (center in photo above), this tubular, threaded insert for our competition flip-up eliminates all glare and improves your sight picture
- Internally threaded to accept the micro-aperture of your choice

(F1003285)\$15.95

Short Competition Hood

- This variation on the competition rear sight shroud above was created to allow shooters who wear glasses to get as close as possible to the rear sight without scratching their glasses

(F1003286)\$15.95

A1 Round Front Sight Post

- Original M16A1 round post

(F1003024).....\$3.95

Extra Competition Sight Apertures*

- These thread directly into the flip-up in your competition sight
- Your vision determines which micro-aperture suits you best (most shooters prefer the .040" standard aperture)

CHOOSE FROM:

.036" (F1001156); .040" Std. (F1001157);

.046" (F1001158); .052" (F1001159)\$10.95 ea.

A2 Competition "Flip" Sight

- Shipped with one micro-aperture

CHOOSE FROM THESE 4 APERTURE SIZES:

.036" (F1001148); .040" (F1001150);

.046" (F1001152); .052" (F1001154)\$26.50 ea.

A1 Rear Sight Assembly

- The original M16A1 configuration – adjustable with A1 sight tool or bullet tip

A1 Rear Sight Assembly (F1003668).....\$12.95

A1 Sight Aperture (F1003010)\$6.50

Chamber Flag for AR15/M16 Rifles and Others

- Molded plastic with the Bushmaster name
- Cone end inserts into the firing chamber, handle protrudes to indicate a safe firearm condition

(F1001989).....\$2.50

COMPETITION RIFLE PARTS

Chamber Checker Safety Flag

- Tough yellow plastic flag slips into the chamber
- Close the bolt, and it clearly shows your rifle's range-safe status

(F1001136)\$2.50

Single-Shot Magazine Follower

- A blue plastic follower that installs easily inside most AR-Type 5.56 NATO/223 Rem magazines
- Allows single shot loading of extra long competition handloads that won't function in regular magazines
- Magazine not included

(F1002044)\$13.95

Sinclair International Sight and Muzzle Cover Set

- Often seen on the DCM ready line, these popular protective covers are molded from durable bright yellow vinyl to protect "sight zero"
- To keep dirt out of the muzzle and to offer high visibility
- Set includes front and rear sight covers and two sizes of muzzle guard covers – one for rifles with flash suppressors and another for rifles with plain competition crowned muzzles

(F1000486)\$14.95

Turner Saddlery Leather Competition Sling

- National match police tactical rifle sling is premium quality, black, 11 oz. strap leather – 54" in length with numbered holes
- Mil. spec. Parkerized steel hardware and copper rivets
- Keepers are 7/8" wide and hand stitched

(F1002093)\$52.95

Creedmoor Bushmaster® Hard Back Heavy Cordura Shooting Coat

- Creedmoor Sports' most popular shooting jacket, sewn in Bushmaster's red & black colors of heavy Cordura material – ideal for high power or smallbore competition shooting
- A stiff interior center back panel of heavy cotton canvas gives it the "hard-back" name and provides maximum back support for the standing position
- Custom sewn to fit the individual shooter (male or female) and is available in sizes 34 thru 48 – for the right- or left-handed competitor
- To achieve an exact fit, Bushmaster sales people will refer you to Creedmoor's expert tailoring staff who will guide you through the fitting process
- Choose from standard or tapered cut, and you'll have to provide exact measurements around your chest (under armpits) and around stomach (widest point)
- Specific alterations to achieve perfect sleeve and body length should be discussed with Creedmoor

(F1001045)\$310.95

For extra large sizes (50 / 52 / 54)..... Add \$20.00

Creedmoor Rifle Data Score Book

- Essential data is arranged in a simple check off format with enlarged target overlays (double overlays for 200 and 300 yard rapid fire stages)
- Ample pages for 200/300/600 and 1000 yard shooting – in a convenient 8.5" x 5.5" spiral bound format

(F1001050)\$8.95

Creedmoor Bushmaster® Roll-Up Shooting Mat

- A popular – and necessary – part of high power competition gear, is this roll-up shooting mat done in Bushmaster colors by Creedmoor Sports
- Features a waterproof vinyl bottom in Bushmaster black, and Cordura nylon top in Bushmaster red with our snake logo embroidered on for maximum visibility
- Oversize textured rubber elbow pads
- Mat rolls up for convenient storage and carry
- Dimensions are 29.5" wide x 68" long, and weight is approx. 8 lbs.

(F1001047)\$79.95

Creedmoor Deluxe Service Rifle Shooting Stool

- Custom sewn by Creedmoor for Bushmaster of red Cordura with black webbing and the Bushmaster snake logo
- Carry all your "necessaries" in the handy hanging compartmentalized bag – accessible through half moon YKK zippered openings on both sides
- Carry up to four AR-15 magazines in the outside pouches – protected from dirt and rain with a Velcro flap
- A zippered pocket above the magazine pouch accommodates your score book, and large outside pockets on three other sides offer huge storage capacity
- Carrying bag is 12.5" tall x 11" wide x 12.5" deep, and overall weight is only 6 lbs.

(F1001049) \$69.95

Shooting Stool Shoulder Strap

- A convenient, 1.5" wide black polypropylene webbing shoulder carrying strap for the Creedmoor shooting stool
- Weight: 1 lb.

(F1001046) \$5.95

Creedmoor Deluxe Cart Conversion Kit

- A quality kit that attaches to the Creedmoor deluxe shooting stool (above, right) to add easy rolling portability and a compact size when folded down
- Machined from 3/8" bar stock aluminum and the finest heavy duty hardware and wheels
- Folds down in seconds for car trunk stowage, or disassembles easily to fit in a standard suitcase as the longest piece is only 23"

(F1001041) \$124.95

Creedmoor Shooting Equipment Rain Cover

- This cover was designed so the competitor can saddle his rifle and gear on the shooting stool for protection against the nastiest weather or potential tampering
- Black nylon pack cloth, it can be secured with its own strap around a shooting stool
- Weight: 2 lbs.

(F1001048) \$29.95

CARRYING CASES

The Bushmaster® Rifle Case

- Economical storage or travel protection for your Bushmaster, or other firearms
- 47"x 9"x 3" dimensions, this case holds a full sized AR15/M16 rifle, or a scope mounted AR with receivers separated

(F1000439)\$18.95

Bushmaster® Large Hard Case

- Oversized, hard-sided rifle case perfect for storing an ACR® and accessories
- Clamshell-style design of durable black plastic with egg-crate foam lining and four snap closures

(F1000942)\$44.95

Eagle Padded Rifle Cases for AR-Type Rifles & Other Firearms

- Each case features a lockable outside cargo compartment; adjustable magazine pouches; reinforced 2" wide carrying handles; heavy duty YKK zippers; and a 2" wide, padded shoulder strap attached to welded steel D rings
- These quality Eagle cases will fit most standard military-type AR15/M16 rifles
- Internal dimensions: 40" x 11"

Full Size Rifle Case (F1001950)\$79.95

Bushmaster® Logo Embroidered Carrying Cases

- A case with Bushmaster logo embroidered in red and white
- Internal dimensions: 36" x 11"

Logo Embroidered Carbine Case (F1001949)\$85.95

U.S. Peacekeeper Nylon Deployment Bag

- Designed specifically for the Bushmaster® ACR® rifle, shown below with the ACR® inside
- Adjustable straps for securing the rifle, a spare barrel pocket, wide elastic bands to accommodate three 30-round magazines
- Removable padding, two drain vents, wrap-around carry handles and double zippers
- Available in black with subdued Bushmaster logo

(F1006548)\$49.95

Bushmaster® Discreet Carrying Case for Carbines

- 32" black Cordura low profile case
- Includes four interior magazine pouches and a padded outside pocket for accessories
- Internal dimensions: 32" x 13"

Discreet Case for Carbines (F1001173)\$85.95
